

Secure Your EIN

Give your tax office its federal business identity.

MISSION BRIEF

Prepare the responsible-party information, apply through the official IRS channel, and preserve the confirmation with your permanent business records.

FOUR OPERATING PRINCIPLES

Prepare first Confirm the legal name, trade name, entity type, responsible party, addresses, ownership details, and reason for applying before beginning.	Use the official IRS channel The IRS online EIN application is generally the fastest option when eligibility requirements are met. The IRS does not charge an EIN application fee.
Answer consistently The entity choice and ownership information should match your formation documents and operating reality.	Save the notice Preserve the EIN confirmation notice digitally and in the startup record file. Banks, payroll providers, tax agencies, and vendors may request it.

TOOLKIT SOURCE: PAGES 22-26

Verify current requirements with official sources and qualified professionals.

Build your EIN application packet

Record the facts you will verify before applying. Do not enter sensitive identification numbers in this Academy worksheet.
