

Begin EFIN and IRS Registration

Start the authorization process for electronic filing.

MISSION BRIEF

Establish IRS e-services access, prepare the e-file application, identify responsible officials, and document suitability and fingerprinting requirements.

FOUR OPERATING PRINCIPLES

Understand the distinction A PTIN identifies an individual paid preparer. An EFIN identifies an authorized electronic return originator or provider location.	Set up e-services Create and secure the appropriate IRS online accounts before starting the e-file provider application.
Identify responsible officials List principals and responsible officials accurately and prepare for identity, suitability, and fingerprinting steps when applicable.	Plan for lead time The application involves IRS review. Begin early, monitor correspondence, and keep the application details current.
